SELECTION DEADLINES

Many of your selections will be finalized during the design phase of your home — a process we follow to ensure that all decisions are properly incorporated into your plans and that your budget reflects complete and accurate information.

The list below summarizes the timeline for the **Final Decision** for each selection. Some items may not apply to your home; we've included them for completeness in the event you choose to add features during the process.

Selections made after the applicable deadline may result in additional costs or a delay in your completion date. We'll work with you to flag upcoming deadlines in advance.
